

Introducing the One Man Loader with Folding Footend, a trolley meticulously crafted for optimal efficiency and simplicity. This lightweight, single-height funeral trolley is designed with versatility in mind, offering convenience and ease of use.

What sets the One Man Loader apart is its independent leg operation, ensuring seamless loading and unloading operations. The Folding Footend further enhances its adaptability, allowing the trolley to be quickly shortened for use in tight spaces. With the One Man Loader with Folding Footend, you're choosing a trolley that prioritises functionality and practicality, making it an invaluable tool for your funeral service needs.
